

Propét

elizur

Elizur is thrilled to announce our new exclusive partnership with Propét, a leading provider of high-quality, comfortable, and therapeutic diabetic footwear.

This partnership is a huge step forward for Elizur. By focusing our efforts with one exceptional vendor like Propét, we can ensure that every single one of our diabetic patients receives the very best in terms of product quality, consistent sizing, and efficient delivery. Please review this catalog to select from our available diabetic shoe options.

Propét[®]

Recognized for our expertise in orthopedic footwear, Propét is dedicated to providing solutions that meet the needs of individuals with conditions like diabetes, neuropathy, and other foot health concerns that require special care and support.
